United Way is working to advance the common good by focusing on education, income and health. These are the building blocks for a good life—a quality education that leads to a stable job, enough income to support a family through retirement, and good health.

Our goal is to create long-lasting changes that prevent problems from happening in the first place.

We invite you to be part of the change. Together, united, we can inspire hope and create opportunities for a better tomorrow.

That's what it means to **LIVE UNITED.**
