Cooper Power Systems takes new approach with Executive Car Wash

Racine, Wisconsin (June 9, 2011) – Cooper Power Systems will again be hosting an Executive Car Wash to raise funds for local United Ways. However, in order to further involve the community, they have invited Boy Scout Troops to participate. Each troop will receive a base of \$100 and then 10% of the dollars raised at the site where they participate in the car wash. Additionally, Cooper will supply lunches to the Scouts and an opportunity for the Scouts to talk with Cooper's executives and managers about their industry. Three troops are currently scheduled to participate; Thomas A. Edison Tech Center in Franksville: Troop #129, South Milwaukee Facility: Troop #221, Badger Drive Facility: Troop #4.
