2010 LEADERSHIP
GIVING

**United
Way**

United Way
of Racine County

A MESSAGE FROM THE PRESIDENT

Leadership givers are United Way's most generous supporters and are essential in our efforts to provide a better life for all Racine County residents.

In the 90-year history of United Way of Racine County, thousands of people have invested in our community at the leadership level, contributing millions of dollars that have lifted our area to an unprecedented level of caring.

If you are already giving at the leadership level, I thank you. If you are considering stepping up your support, I invite you to become a part of this committed group of donors who value the importance of not just helping fellow community members in need, but also creating large-scale, systemic changes with the power to transform our county.

A handwritten signature in black ink that reads "Dave Maurer". The signature is fluid and cursive.

David Maurer, President
United Way of Racine County
