United Way
of Racine County

If you know us only as the fundraisers, then you only know half of our story. We don't just invest in change, we make it happen.

Through shared programming, including over 50 funded programs, we support more than 30,000 Racine County residents every year and engage more than 1,000 volunteers. With 98 percent of funds directly supporting Racine County residents, together, we can respond, recover, reimagine and rebuild to make real change happen in Racine County as we emerge from the COVID-19 pandemic.

HEALTH

5,418

SingleCare clients who saved on their prescriptions in 2020.

EDUCATION

64,523

books delivered to Imagination Library children in 2020.

FINANCIAL STABILITY

567

state and federal tax returns prepared with VITA in 2020.

ESSENTIAL SERVICES

1,080,000

pounds of food distributed by the Food Bank in 2020.
