

## Your Voice is Needed!

Have you thought about serving on a nonprofit board but are unsure where to start? Or maybe you have some board experience but want to broaden your skills with training from experts in board leadership?

### United Horizons Board Training Program

- Free skill-based program for Racine County residents
- 5 in-person sessions
- Concluding networking event to facilitate connections between program participants and nonprofits

To apply, scan the QR code or visit the link below

Anyone can apply to join the individual program, but preference will be given to those from historically under-represented communities, including:

- people of color
- people in the LGBTQIA+ community
- people with lived experience in poverty
- people in rural communities
